PINNING A BUDDY

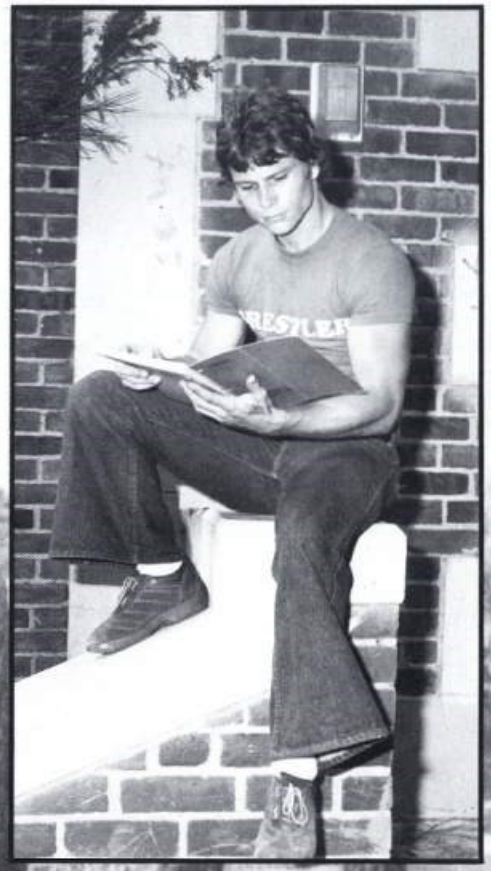
When you're a good buddy, you're a good buddy all the way. That's how Lee Marlin and Chris Dean see it, anyway. After four years of high school together, off they went to Junior College together—where their friendship grew into something much closer.

Lee waits for Chris to get out of class each day and the two head over for the gym and their favorite sport—wrestling. Well, it's almost their favorite sport.



PINNING A BUDDY is produced by NOVA PRODUCTIONS, 6000 Sunset Blvd., Suite 209, Hollywood, California 90028 for publication by Arena Publications, North Hollywood, California. It is produced and distributed as adult entertainment aimed at illuminating ongoing social changes in current patterns of societal behavior with the view that the picturing and displaying of the unclothed human body is deserving of increased acceptance in our contemporary culture.
